Benefits for companies:

- Support SAE ALUMNI as a Corporate Partner and enjoy the following benefits:
- Special rates for ads in magazines and SAE banner placement on www.mysae.org (each 33% discount)
- Active participation in all activities of the Alumni Network: seminars, field trips, local events, etc.
- Free participation in the SAE ALUMNI CONVENTION as an exhibitor (default state) and reduced costs for Demo Suites or larger exhibition space
- Possibility of free product presentation (Roadshow) in SAE offices by appointment
- Access to community of SAE Graduates - www.mysae.org (SAE ALUMNI Association)
- Presentation of the company & link with company logo at www.sae-alumni.org
- Exclusive participation in promotions and mailings

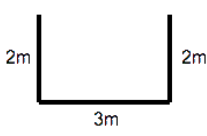

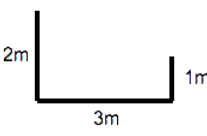

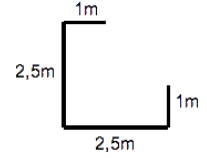

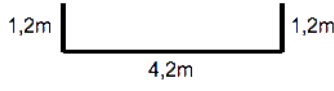

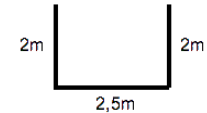

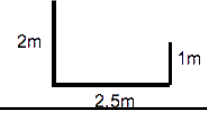

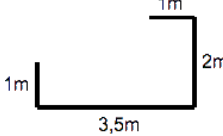

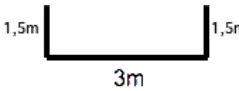

Terms and Conditions:

The SAE ALUMNI CONVENTION is organized by the SAE ALUMNI Foundation and financed primarily by membership fees and only partially by exhibitors who pay for exhibition space. This way we can offer you - particularly with regard to a selected target audience - a good price. The SAE Gesellschaft für Studiotechnik mbH was supported by the Foundation for the SAE ALUMNI CONVENTION implementation of the mandate and thus contact.

Layout and features of booths and demo suites:

All booths are modular systems by Octanorm, with a height of 2.5 m and an open top. Power sockets and internet connection are included, but no desks, chairs, showcases, or additional booth lighting will be provided. Any extras are available on demand from our supplier. Floor plan illustrations are not necessarily to scale. Please refer to the dimensions indicated.

Exhibition Stands:
